In recent years, there has been a notable surge in the popularity of juice bars, establishments that cater to health-conscious consumers seeking nutritious beverages such as green smoothies and açai juice. These venues have emerged as favored destinations, particularly among affluent clientele who prioritize wellness and indulgence. The allure of juice bars extends beyond mere consumption; patrons are drawn to the interactive experience of witnessing their beverages crafted before their eyes, fostering a sense of participation and satisfaction. This trend, emblematic of the modern urban lifestyle, shows no signs of waning, firmly ingrained as a cornerstone of metropolitan culture. Its enduring appeal underscores the evolving preferences of discerning consumers and reflects a broader societal shift towards health-conscious living and experiential consumption.

Which of the following statements is true?

Select one:

- ☐ a. This trend shows no signs of abating.
- ☐ b. Rich people are not prone to visiting these shops since they are too busy to wait for their beverages to be made.
- ☐ c. Rich people benefit from shopping in these shops because their prices are very low.
- ☐ d. People who consume these products don't seem to care about how their drinks are produced.

Read the text and choose the best option to answer the question or to complete the sentence:

I thoroughly enjoy perusing the local farmers' market, reveling in the abundance of fresh, organically grown produce it offers. The allure of these verdant delights lies not only in their healthful attributes but also in their purity; free from the taint of synthetic pesticides, they embody a commitment to natural cultivation methods. Admittedly, some may find themselves disconcerted by the occasional presence of diminutive insects adorning these pristine specimens. Yet, far from repelling me, these creepy crawlies serve as a testament to the integrity of the produce, signifying its unadulterated nature. In a world inundated with chemical-laden fare, encountering such wholesome offerings is a rare delight, worthy of celebration.

What is the author's attitude towards the presence of insects on the produce at the farmers' market?

Select one:

- ☐ a. They are indifferent to it.
- ☐ b. They find it disgusting and off-putting.
- ☐ c. They think someone should sanction the lack of hygiene in the local market.
- ☐ d. They view it as a positive sign of the produce's purity.
