## ABOUT US

GEP English Exams were developed by Global Language Training, an institution with extensive experience, that wanted to offer proficiency tests based on what was requested by partner institutions familiar with online training and the inherent need of a state-of-the-art examination, easy to apply, accessible to all and that met the following parameters:

100% alignment  
with international  
standards as  
defined in the CEFR.

Leveled exams:  
One exam for each  
specific CEFR level.

Top quality exams texts  
& graphic materials  
produced by  
world-class designers.

Easy online deployment for  
institutions with minimal  
overhead designers

Affordability for test takers  
allowing for a greater market  
& greater opportunities.

# SKILLS TESTED

Our GEP English Exams can also be taken in a combination of skills.

The proficiency levels are measured against realistic situations in everyday life, with the appropriate vocabulary, structure and language at all levels. The tests are based on familiar topics and focus on the skills necessary to communicate effectively in English.

GEP English exams measure all four main skills plus language use (grammar and vocabulary) in the English language learning process.

Reading

Listening

Language  
use

Writing

Speaking

# OBJECTIVES

GEP English Exams assess the English language learning process of test takers with the highest level of accuracy according to the CEFR standards. In this frame of thought, it tends to:

- Provide tools to measure proficiency in English according to the needs of the 21st century.
- Empower test takers's personal self-development and provide a more effective awareness of the importance of English.
- Provide reliable international evidence of proficiency, with easy online deployment and affordability.
- Provide an incentive for non-native English speakers to improve their own level of language proficiency.

# CEFR ALIGNMENT

All GEP English Exams were developed from the ground up following the standards of the Common European Framework of Reference for Languages, there is a one-to-one correlation between CEFR and GEP levels.

# PLACEMENT TEST AND PROGRESS TEST

## PLACEMENT TEST

The results can be used to place test takers within a certain level of the CEFR and may also be used to set a starting point in their learning process.

## PROGRESS TEST

Our online Progress Test will give test takers an approximate indication of their English proficiency level in a language learning process.

## ADAPTIVE PLACEMENT TEST

This is an advanced computer-based exam that uses our unique algorithm to customize question difficulty for each test taker. This cutting-edge test dynamically adjusts in real time to match the English proficiency level of the individual, ensuring the presentation of suitable questions. It provides a faster testing experience for lower-level test takers.

Each exam has 50 Multiple-choice questions, and will last for 50-60 minutes.

# PREPARATION COURSE FOR GEP ENGLISH EXAMS

Our preparation course, tailored to suit levels from B1 to C1, is specifically designed to effectively prepare you for the GEP English Exams. It equips you with the necessary tools and strategies to achieve English language certification in just one month.

During the Preparation Course, you will receive detailed information about the specific exams by level, the methodology, and you will take simulated exams so that you feel completely prepared for your official test.

The program covers all aspects evaluated in the GEP English Exams, including grammar, vocabulary, listening comprehension, speaking, and writing. Additionally, it will allow you to familiarize yourself with the test environment and format.

Some additional benefits of our Preparation Course include:

**Full exam coverage:** Our course will cover all aspects assessed in the official GEP certification exams, ensuring comprehensive preparation.

**Practice test simulation.**

**Methodology training:** You will learn key strategies and techniques to approach the exam with confidence, including time management and understanding question types.

With our course, you will be prepared to face the exam with confidence.

## DEPLOYMENT

GEP English Exams are deployed online through our testing platform and, therefore, are implemented quickly.

Several versions of each component are available for live deployment at any time. All versions are created with the same rigorous specifications and are subject to the same standardized quality assurance and analysis procedures to ensure reliability both during deployment and during the marking and delivery of results.

## MANAGEMENT & SAFETY

GEP English Exams are distributed by authorized partners to institutions and individuals. Test schedules and locations are determined by authorized testing centers.

We offer comprehensive test administration guides, including technical requirements like microphones and speakers for speaking and listening tests. Our exams use AI surveillance for monitoring, including video analytics, facial recognition, and content moderation.

# SCORING

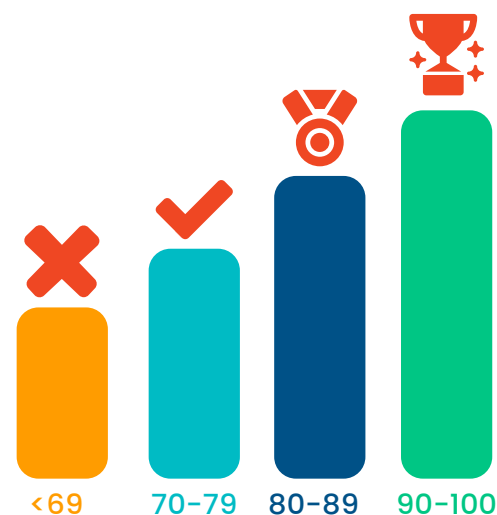

The Listening, Reading and Language Use components, are graded within our testing platform.

The system automatically grades over 100 points based on the number of correct questions per section. Human examiners trained and accredited by GEP English Exams, qualify the speaking and writing components.

The score +100 is determined by following the rubrics designed from the performance standards for each level of the CEFR.

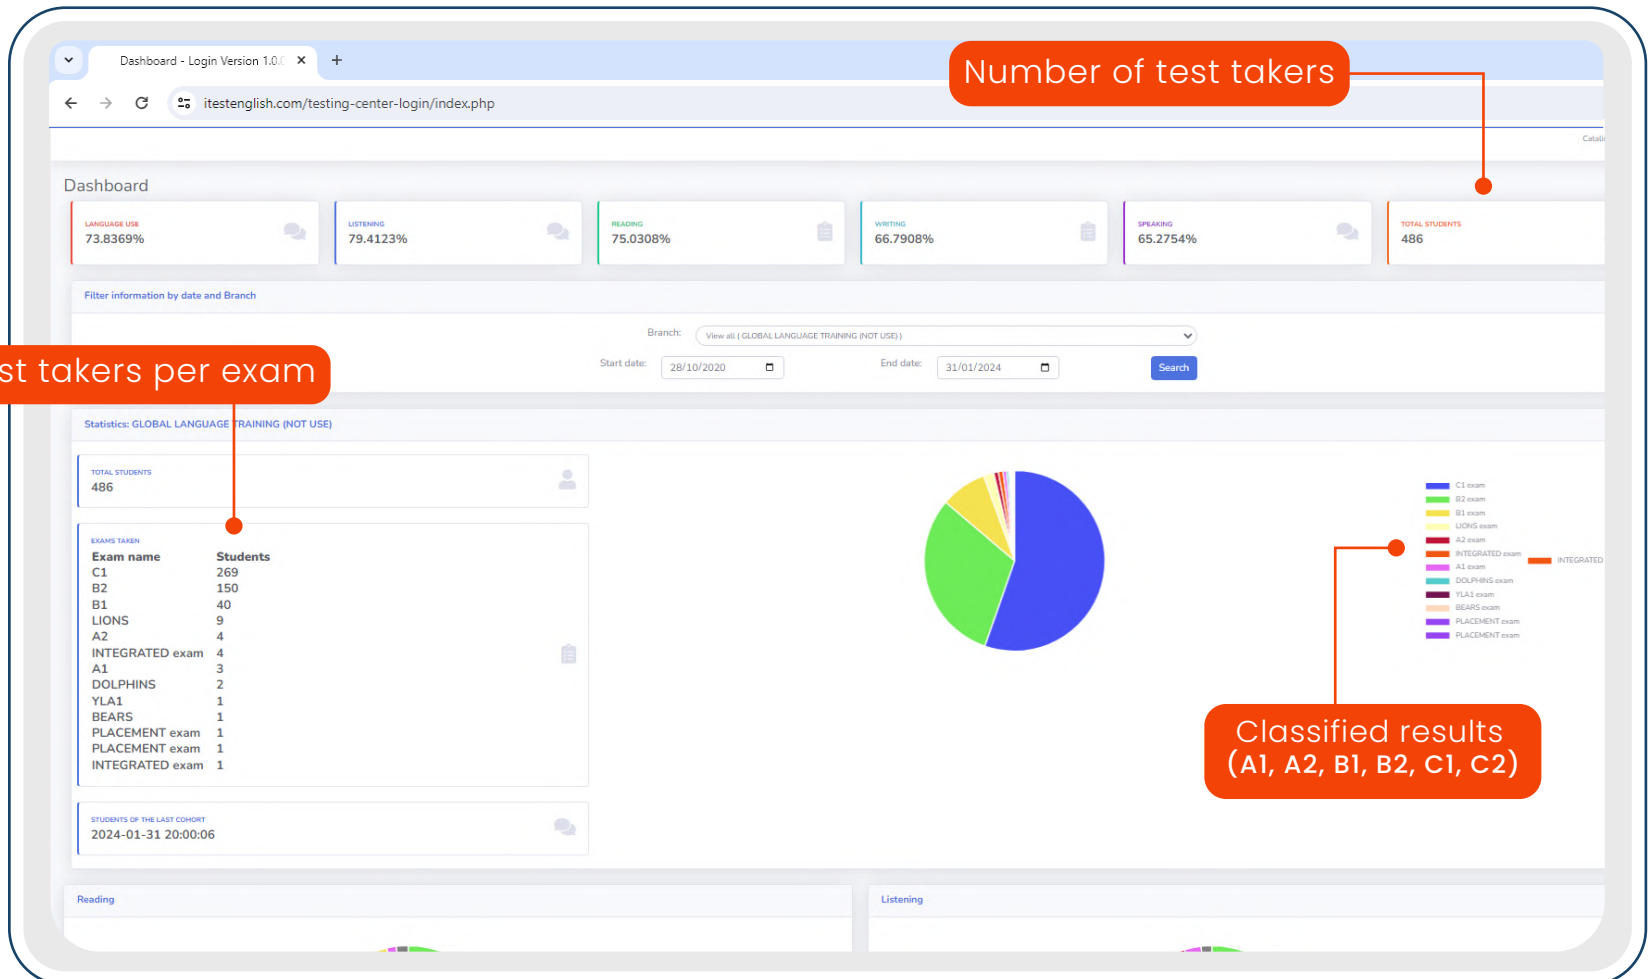

## THE RESULT IS GRANTED ACCORDING TO THE FOLLOWING SCALES:

- 69 or less: The student does not reach the level of the exam presented.
- 70-79: Pass.
- 80-89: Pass with merit.
- 90-100: Pass with distinction.
